

Dr Srividya Janani (Rasika Radhe Devi Dasi):

I am a Psychiatrist by profession, also trained in other therapies like hypnosis, Neurolinguistic programming (NLP) and energy medicine including Reiki.

I have grown up in ISKCON since age of 4years and disciple of HH Radhanath Swami Maharaj. My parents are also disciples of Maharaj. I have been married since 2017 and have encountered couples having disputes with practical application of Krishna Conscious philosophy. Hence, having a deep understanding of conflicts from professional and devotional purview; I wish to offer my services in those areas.

My goal is to facilitate couples to have deep fulfilling relationship and enhance their overall quality of life.
