I work with individuals to create a professional looking marital resume that is then sent out to Iskcon centers, matcher makers, and worldwide representatives. Individuals can choose a monthly payment plan based on a sliding scale fee - temples or centers may also choose to provide this service for their residents.

How it works:

1. Choose a package 1 - 5 months
2. I'll send you a questionnaire and we'll have a consultation
3. You'll receive a sample resume and we'll begin working on your resume according to your capacity
4. Once the resume is finished I'll begin sending it out
5. In the meantime I'll send a list of resources and tools for self

development, beginning stages of a relationship, and beyond.

6. I'll also send a healthy goals check list and inspiration guide.

7. At the end of each month I send out a list of all of the places where your resume was sent to and there is a follow up check in.

8. You'll have the option on your resume for people to contact you directly or your authority / representative. 2-3 contact references must be listed on the resume.

Payments can be made via Paypal
or through Zelle bank transfer.
Professional invoices are sent
monthly
